The Nevada State Board of Cosmetology will conduct a Law Review Sub-Committee Meeting on **September 9, 2013 at 9:00 a.m.** via Video-Conferencing at the following locations:

Las Vegas, Nevada

**GRANT SAWYER BUILDING
555 EAST WASHINGTON AVENUE, SUITE 2600
LAS VEGAS, NV 89101**

Carson City, Nevada

**NEVADA GAMING CONTROL BOARD
1919 E. COLLEGE PARKWAY
CARSON CITY, NV 89706**

9:00 a.m.

1. Call to Order / Roll Call
2. Comments by General Public
3. Consideration and approval of the Agenda and its posting. (For Possible Action)

4. Review changes created at the August 12, 2013 Law Review Sub-Committee meeting.
(For Possible Action)
5. Review and possibly formulate revisions for submission to the 2015 Legislature to create the possibility of a "Shampoo Assistant". There is a need to address the ability of a salon to utilize license or pre-licensed individuals for simple assistant type tasks within the cosmetological establishment.
We intend to continue to explore options from last meeting and possibly formulate proposed new regulations to allow this. (For Possible Action)
6. Review and possibly formulate revisions to the 2015 Legislature for:
NRS 644.248 Hair braiders: Scope of examination
2. (b) A practical demonstration in hair braiding
We will be discussing the possibility of removing the practical test in lieu of an affidavit from the school attesting to competency. Additionally, we will examine:
NRS 644.208 Hair braiders: General qualifications for examination
NRS 644.209 Hair braiders: Qualifications for examination for person who has practiced hair braiding in another state and:
NAC 644.0539 Passing score (For Possible Action)
7. Review and possibly formulate revisions for submission to the 2015 Legislature to:
NRS 644.325 Renewal of License
We currently license individuals and establishments for a two (2) year period. If we were to switch to a three (3) year renewal period, this would cut down the work flow of paper by approximately one third.
For example: If we theoretically administer 26,000 licenses and they expire every two (2) years then Staff is processing 13,000 on a yearly basis.
By switching to a three (3) year licensure period this would reduce the yearly licensing work flow to approximately 8600 per year. Additionally there would be significant savings realized in the generation, printing and mailing of forms including the inherent costs of postage for said activities. Licensees would benefit by not having to repeat the process, take new photos, etc. every two (2) years. (For Possible Action)
8. Review and possibly formulate revisions for submission to the 2015 Legislature to
NRS 644.472 Unlawful for animal to be on premises of licensed establishment for hair braiding or cosmetological establishment; exception.
The Attorney General's opinion was written in 1985. Since that time there have been many cultural and legal changes to this issue brought out by the federal "Americans with Disabilities Act". Federal law precludes us from requesting medical documentation when determining if an animal is considered to be a service animal. Service animals are now widely used for a myriad of disabilities and medical issues which go way beyond being visually or aurally impaired and are not relegated to

dogs only. Our Statute on this matter should reflect the current proliferation of service animals and the superseding federal laws which are now in place to protect said usage. (For Possible Action)

9. Review and possibly formulate revisions for submission to the 2015 Legislature to **NRS 644.370 Supervision by license person.**

With the advent of salon suites and the leasing of stations, the salon business model has changed and the law may need some revision. Also

NAC 644.037 Interpretation of NRS 644.370

May need to be reviewed and revised. (For Possible Action)

10. Review and possibly formulate revisions for submission to the 2015 Legislature to **NAC 644.330 Plumbing; dispensary sink; floor coverings.**

There is currently no regulation in place requiring a shampoo bowl in any salon licensed for hair services. There could be better clarity of the requirement for salons licensed for hair services to have a shampoo bowl. (For Possible Action)

11. Comments by General Public.

12. Adjournment. (For Possible Action)

All times are approximate; The Committee reserves the right to take items out of order, combine items for consideration or remove items from the agenda at any time.

Public Comments will be taken at the beginning and end of the Board Meeting. At the discretion of the Committee Chair, each individual speaker may be limited to five minutes. No action may be taken upon a matter raised during public comment until the matter has been specifically included on an agenda as an item upon which action may be taken.

Prior to the commencement and conclusion of a contested case or quasi-judicial proceeding that may affect the due process rights of an individual, the Committee may refuse to consider public comment on that item. (NRS 233B.126)
