

Bryan Baltazar Appointed to Nevada State Board of Cosmetology

Mr. Bryan Baltazar has been appointed to the Nevada State Board of Cosmetology by Governor Brian Sandoval. Mr. Baltazar has been appointed to the Board to serve a four year term from 2015 to 2019.

As a 15 year resident of Las Vegas Nevada, Mr. Baltazar has spent his adult career working towards increasing his involvement in local communities. As a Political Science student from the University of Nevada Las Vegas, he always had the desire to contribute to his community. Through his involvement with charitable organizations like The Catholic Charities of Southern Nevada, Three Square Food Bank, Habitat For Humanity and the Latin Chamber of Commerce, he learned of the needs that Las Vegas still has that need to be addressed.

Through his educational background in government and politics and his continued community involvement, he was later afforded the opportunity to sit on the chartering executive boards for two national non-profits, USACares and C.A.C.A. (The Chinese American Citizens Alliance). Through his vast network of elected officials and other community activists, Mr. Baltazar worked tirelessly to expand the presence of these organizations.

As a staff member for an elected Congressman and Nevada State Assembly member, Mr. Baltazar had access to key Nevadan leaders that would help him in highlighting some of the major issues he would later on advocate for. Recently he has worked with Safe Nest Domestic Violence Shelter, The Rape Crisis Center of Las Vegas and the Nevada Network Against Domestic Violence in order to advocate for victims of domestic violence, sexual assault and human-sex-trafficking.

As a new resident of Reno, Nevada, Mr. Baltazar hopes to be able to continue his advocacy work and continue working towards building a better Nevada. Mr. Baltazar has continued to excel in every venture he has participated in and the Board is privileged to have him as its newest member.
